“ My name is Gary and I went to Church with Betty at Forks Of Elkhorn Baptist. I was so sorry to hear of her passing, she was a very sweet lady. I looked forward to seeing her each Sunday morning as I entered Church, seeing her smile and getting that big hug from Betty! I still remember the first day she officially introduced herself to me, i hadn't been going to the Forks but a couple of weeks. She was so nice and made me feel welcome. I also remember the day I got baptized, she was just as excited for me and I was the one getting baptized.

I am sorry to her family for your loss, i know she is already being missed by so many. She is now standing at that front door in Heaven greeting all those new-comers like she did me a few years ago and Betty is making them all feel welcomed!

“ When I was 10 years old, Aunt Betty came to stay with us while Mom was in the hospital. I thought she was the coolest Aunt ever because when she played barefooted with us in the backyard she could hang upside down in our apple tree and her long black wavy hair would dance in the wind but most of all, she could whistle loud with two fingers. She tried to teach me, but instead of a whistle, all I could get out was a chin full of spit. That was okay because it made her laugh.
