“ Although I haven't seen Dora for quite some time, she never forgot who I was or me her. We went to school together and I called her my friend. I knew her mom, brother Jackie, and I know Simeon. Always friendly and always smiling she always knew who mom was too when ever mom was with me. She had a kind heart. I think the thing I remember most about Dora was her smile. I am very sorry for your loss but I believe she is smiling down on her family and friends. Betty Richardson Rice
