“ I was saddened to hear about Ilene’s passing. Ilene reported to me while we were at Apple as my Administrative Assistant. As a young Manager, Ilene did everything humanly possible to support me and my success. I like to think I did the same for her. If ever in a pickle at work, Ilene’s mom Barbra was there to lend a helping hand. “Two peas in a pod,” Ilene and Barbra, kept us all laughing! To Ilene’s family and friends reading this, Ilene was a true and loyal friend. Thinking of her makes me smile for Ilene frequently had me in stitches!

“ Every once in a while God sends an angel down to be among us and in this case her name was Ilene. Nancy and I had the honor of knowing Ilene and calling her our friend, and we will treasure that friendship forever. When our daughter, Keri, was born there was no question as to who we would pick to be Keri’s Godmother. We knew from the start of our friendship that we could trust our child to her and the bond we had with Ilene was strong and grew stronger as time passed.

During our years of friendship, distance, because of location, might have grown between us but our love never diminished or changed. We will miss you so much but will surely see you again. Rest In Peace and say to mom for us.

“ Played street football with her brothers in front of her house. She always had a smile whenever we stopped for a water break and went in the house. I will always remember how kind she was. My deepest condolences to the family. R.I.P. Ilene. Say "Hi" to Rick and Jeff for me.

“ Always a big smile on her face! Best seat on the bus to school was when I got to share the ride with her.

“ To the Shamas Family. Prayers for you at the time of your loss. But know that she no longer is in pain and is at peace. She is now with your Mom and brothers and laughing with them and having the time of her life. No more cares, and no more worries. We love you always Laura. From Hugh "Mac" & Debbie McCrary.

“ My dear Ilene, funny, kind and loving. Despite terrible health problems you never complained once, and were always to be found helping out someone in your neighborhood. My children grew up loving you, and I will always have a hole in my heart where you lived. I hope you are looking down on us, laughing in delight, with your mother Auntie Barbara.
