“ I live in Idaho and was a 50+ year friend of Johnnies. We served in the Navy together at Corpus Christi. I knew her mom Anna also. I knew Johnnie well, and feel so bad that we didn't know she passed away. I would have come to see her in her final days. She came to Idaho when she got her mustang a few years ago. My husband and I shall miss her. She was a true friend! Condolences to her family and Dewey!
