“ Judy was my first friend when I moved to Kentucky. We had a good time always. I can still hear her laughing and imitating my "Yankee accent". My prayers and love go out to the Steve, the Boys, the Moores, and Sample families. I wish I could have been there today.

Kathy, would live to get together soon. God Bless our Judy ! Xoxo

“ Judy and I lived together in Florida and Frankfort in the early 70s. She made lima bean soup and we made cheese whiz sandwiches for most of our meals. We both decided that college would help our financial situation and started at U of Ky together. A year later she was my maid of honor and walked down the aisle with a cast on a broken foot. We sure had some good times. She was a great friend.
