“ I worked with Mary in the Court of Appeals for many years. Mary was one of the most generous people I have ever met. She invited me several times to go to a UK Basketball Game when Hugh couldn't. She never let me pay for my ticket. We always went to supper and then the game and she wouldn't even let me buy her meal in return. One of our Co-Workers/Friends went to King's Island in Cincinnati with her children and had a heart attack and was hospitalized in Cincinnati, Mary was the first to say we needed to go and see how she was and drove us there. I came in from church Sunday and saw Mary's death in the Obituary Page, I sat down and cried from the shock and the sad realization that Mary was gone. Mary was one of the biggest UK Fans I have ever known, now she will always have a great seat for all the games. I wish we had kept in touch more after we didn't work together. Prayers for Clay and Janet, Bill and Margie and all her nephews and niece and their families. Mary loved her family and even if you never met them you felt like you knew them though Mary's sharing of their lives. I will miss you, My Friend.

“ I only had one sister in-law but I had the best. She loved me and and my children as if they were her own. She never missed a graduation or wedding. Aunt Carolina was always generous with her money and love to all she loved. She will be missed by all that loved her. Until we meet again,Marge Mitchell

“ I was saddened to read the obituary for Mary this morning. She was such a delightful co-worker and even though I didn't get to see her often, we talked a lot. She was a fountain of knowledge and always eager to help solve a problem or answer my questions. I pray God will comfort you with sweet memories and I will cherish mine.
