

Ricky Coleman Bailey

March 17, 1961 - November 5, 2020

Ricky Coleman Bailey, husband of Nancy Estill Bailey passed peacefully at home to be with our Lord and Savior on November 5, 2020. Celebration of Life Services will be held at LeCompte Johnson Taylor Funeral Home on Wednesday, November 11, 2020, at 11:00 a.m. with graveside cremation burial following the service at the Frankfort Cemetery. Pastor Jay Stratton will officiate. Visitation will be on Tuesday, November 10, 2020, from 4-8 p.m. at the funeral home.

Ricky was born on March 17, 1961, a St. Patrick's Day baby. He graduated from Franklin County High School, and after high school attended Central Kentucky Voc-Tech where he earned his journeyman's electrical license. Ricky worked for several years for Art's Electric and then began his career working for Dow Corning Corporation in Carrollton where he retired from in 2017. Ricky's hobby was hard work. He farmed his whole life with his Dad. He found peace and God at the farm. Ricky was meticulous about his work whether it was electric or farming. He was a preparer and always had a list of jobs he wanted to accomplish, and a few for his family to get done too. Ricky was kind, patient and calm and he loved to help you learn about what he knew. He was a wonderful role model not only for his family but to many others. He was a quiet jokester and sentimental even though he didn't want you to know he was.

Ricky was a Board member of the Franklin County Conversation District and a member of the Kentucky Cattlemen's Association.

Ricky is survived by his wife, Nancy, daughters, Michelle and Ericka, and step-son, Brendan Jones, Dad, Donnie (Yvonne), Mom, Susan Williams (Ray), brother, Troy (Jamie), and nephew, Matthew, step-sister, Julie, (Samantha & Haley), sister-in-law, Betsy Estill Gallup (Jeff) and nephew, Cameron. Ricky was loved by his family and many friends.

Ricky was preceded in death by his paternal grandparents, Edward and Estelle Bailey, who he loved dearly, and his maternal grandparents Murray A. Wiard and Margaret Lucille

Stone Wiard.

In lieu of flowers, memorial contributions may be made to Bluegrass Care Navigators, 643 Teton Trail, Frankfort, Kentucky, who were a great source of comfort during this difficult time.

“ I am shocked to hear of Ricky' s death. My deepest sympathies to his family and Donnie and Susan. I've known Ricky his entire life and always found he a joy to be around. I recall him riding my big dog when he was small. Rest in peace!

“ My wife and I have been blessed to have Ricky as a friend. In our early years he came to our Halloween party as a convincing werewolf and we had a lot of fun. I worked with him at Art's Electric in the 80's where we spent some time in the Kraft plant in Lawrenceburg. He was a good person and a fun workmate who cared about the quality of his work. He was a kind soul and we will miss him very much. Our condolences to his family for I know you will miss him in your lives.

“ Ricky was a friend, neighbor, and someone who took great pride in his work. Mostly he loved his family. I enjoyed the times we had sitting around the pool watching his young children play. When Nancy and I finally got him to get in the pool, I think that was the first time his legs had ever seen the sun. He and Nancy were gracious hosts of some awesome Derby Parties. There was nobody who was a better person than Ricky Bailey. He will be sorely missed! RIP

“ Nancy, Daca and I are so sorry to hear about Ricky. I met him sophomore year, in vocational school. He was always there with encouragement for us newbees. He, of course, was already working. I would hang out with him at the skating rink, when he worked there. We lost touch after graduation and was glad to run into him at the H.S. reunion and Good Shepherd.
It was like there had been no time between when we last saw each other.

“ Ricky was always there to help organize, set up, work, and clean for every single fundraiser and school event that we did for the kids. His spirit was kind and he kept a smile on his face! I remember calling and asking for "Ricky and his ladder!" He never said no!! God Bless each of you as I know that he will be dearly missed. He was a good one and we are so very sorry for your loss. "Those we love and lose are no longer where they were before. Now they are wherever we are." (St. John Chrysostom)

“ Oh Ricky this just seems like a dream. We were kids together. And later included our spouses too. I'm glad you liked liver and onions cause I got to eat it too! I'm not sure I ever thanked you (and Ralph) enough for putting in the appropriate electric outlets for the pool! I miss you already. I know it will take time for healing, but I know your family is strong. Save a place for the rest of us. All my love, Cheryl Harrod Gayhart
