

## Tony Bramblett

April 5, 1969 - October 16, 2020

Tony Bramblett, 51, departed this life on Friday at his home. He was the son of Karen Bramblett, Versailles and the late Donald Bramblett.

A self-employed contractor, Tony was a craftsman who loved to work with his hands. He spent most of his life doing what he loved, building and creating art. He had the “gift of gab” which helped him make friends wherever he was. He loved going to football games with his best friends and just enjoyed life. His spirit for all he loved will be missed immensely.

Survivors include a sister, Melissa Bramblett (Adam Smith), nephews Nicholas and Benet Linney; great niece Kyra Linney; special friend Jessica and a host of family and friends that will miss him dearly.

No services are planned at this time. Memorial contributions may be made to the Franklin Co Humane Society, 1041 Kentucky Ave., Frankfort, Ky 40601. LeCompte Johnson Taylor Funeral Home is handling arrangements. “ I am sending my condolences to Tony's family. I grew up with Tony and he was a good friend to me and many, many others from Hearn Elementary through Elkhorn Middle School and Franklin Co. High School and then on to adulthood in Lexington. A straight-up good-hearted, caring, supportive person who was always, as another person wrote here, backing the underdog. I will miss him but was fortunate to have known him, and that is true for a lot of other people.

“ Tony was a lot of things to a lot of people. He was funny, friendly, could talk to anyone, and caring. Like many of us, he too had his share of struggles. I am forever grateful to have met and known Tony. It is hard to saw where I might be today without his love and support. Thanks to God, my (now) wife, Tony and many others... Tony helped me get sober and I have continued that journey by the grace of God for 12 years now. I am forever grateful for Tony's help. Though we had drifted apart, I thought of him quite often... wondered about him, or would think of something he would say to me in the past. He certainly left an imprint on my life, and I know he did many others. I will miss you!

“ Karen, I am so sorry to hear of Tony's passing. You and your family are in my thoughts and prayers. Tony was always a great friend and I have many fond childhood memories, from sleepovers to days spent at east Frankfort swimming pool! We always had so much fun together as kids and schoolmates. The world was truly a better place with him in it.

Yours Truly,
