“ I have known tony most of my life.We grew up together and were friends.I was blessed to have him as my brother in law and the father of my nieces-Ashley, Leigha and Jessica. Not many men would've been willing to end up raising 3 little girls on his own, eventually he met Lisa. It takes a special woman to come into a situation like this and become a mother to a ready made family, but she did and we are so grateful. I always had a great respect for Tony, for the care and dedication he showed as a father and for Lisa for her willingness to take on such a challenge and together raising the girls into 3 beautiful women. I love you brother and will miss you. Love,

“ Words can't express how sorrowful I am for your loss. I'm here, Lisa. You know that. Tony was a good man. He worked hard and was proud to do so. The first time I met him he had come to get you from work. What I saw was a good ole country boy. An honest man who didn't say much, didn't show much but somehow, you just knew he cared. I didn't know him well but I know you, Lisa. And he was your chosen one. Blessings on this family.

“ While we didn't know him very well, Tony B. seemed to be a very pleasant, easy going, quiet person. He certainly had the 'patience of Job' to rear those girls the way he did...not that they were all that bad. They were just very 'normal teenagers/children' and fun to be around. May the Lord bless you one and all with peace during this time of stress and sorrow.

“ We knew Tony and his family from Eastwood Ball Park. Tony was a good friend to all who knew him. We all had a lot of fun together and Tony was always fun to be around, I still remember how he could hit a softball straight down the 3rd baseline and how much he liked to play softball.

Everyone liked and respected Tony. Although I have not seen Tony in several years I know he was a dedicated husband and father. We are honored to have known him.
