“ Adam’s mother was my neighbor when Adam was growing up. He spent 6 months with his mom and 6 months with his Dad. When he was at his moms he spent quite a bit of time at my house. My son became good friends with Adam. When he would return to his moms he would always come to my house, come thru the backdoor and yell “Mom I’m baaack” and my response was always ‘oh no’. And whenever Adam would see me he would always call me Mom. I’m going to miss that. You are very loved and will be missed tremendously.
