“ *In my Memories Aunt Alice was one of the sweetest and kindest people I have ever met. Very strong in her Faith and a shining light as a Christian for All to see.*

Something that I will never forget is that in January of 1971, I was in Army boot camp at Ft Knox, Ky. It is a very different and uncertain time in a young man's life. I didn't receive very many letters while I was in boot camp and one of the highlights while you are going through that time in your life is mail call. One of the people that sent me letters while in boot camp was Aunt Alice. It meant more to me than she will ever know. To have your name called during mail call was a very high point of the process. I will never forget how much it meant to me for her to take the time to write to me at that time in my life and how much it lifted my spirits during a trying time for a young military man.

Thank You Aunt Alice for being the person you were and how kind you were to me, my family and all the people in your life. I KNOW you are rejoicing in Heaven with Uncle Jack.

*With Love Your Nephew,
Louis*
