“ I am so sorry to hear of Anita's passing. Anita always baked the best jam cakes, and she gave me her recipe in a Christmas card 2 years ago. I have her beautiful handwriting in my kitchen on the back of a cabinet door and will treasure it always. Anita and I spoke last at Easter 2019. I regret not keeping in touch more frequently, but when we did talk it was always a wonderful conversation. Anita had a lovely way about her, cared about people, did so much for others without thought of her own pain, had a wonderful intelligent sense of humor, and always made me feel welcome and comfortable. What a beautiful lady! God bless and keep all the family, and remember this is not the end. We will be with Anita again!
