“ *As a child living in the East Main neighborhood, me and my brother shared many times with Anne and her family. She always look care of the kids in the neighborhood. We loved to play games in her basement when it rained and we do anything for her, we did yard work and cleaned out flower beds and we found it to be such fun, she always shared cookies and kool aid with us. She was a wonderful lady and her husband Henry years later I worked with him at the State. He actually did my wedding pictures as a gift for me. I loved this lady like a grandmother she was a very special lady and her family is also. CeCe I know you and your family will miss her but she is in better hands now. She and your Dad will always watch over your and yours. Love you all so much and prayers for your whole family. Alice Bryant*

“ I have many great memories of spending many hours in Anne's home when I was a child and growing up in the Arlington and Lindsey Avenue neighborhood. Anne's daughter, Cece and I were very good friends and she has been like a sister to me. Anne always welcomed me into her home and I enjoyed spending time with her and just talking with her. Anne was fun to be around and always made me laugh. I have missed those fun times and have thought of Anne often over the years. I will continue to think of her and enjoy the memories. Love and prayers for Anne's family.
