“ *Barbara was such a caring person!*

*I first met Barbara when her Mom lived at Kings Daughters Apartments. She and Virgil were so, kind to the residents at the apartments. They came and played bingo on a regular basis.*

*Barbara and I stayed in contact even though she was home bound. She was always cheerful and was concerned about others.*

*She is in heaven visiting with her Mom. She missed her Mom terribly after her Moms death. I can hear her little laugh as she talks with her Mom!*

*I know when it is my time to go to heaven she will be one of the first people there to welcome me!*
