“ Prayers for you all. Dear Granny Mitchell, I was so lucky to have know her through teaching one of her grandchildren. She would bring me her famous chocolate chip cookies. Her sweet grandchild continued to do the same. Her spunkiness and wit always made me laugh when she came to pick the kids up. I know she is going to be dearly missed, but I wanted to share this memory because she made my heart happy and I know how much she loved those grand babies.

“ Dale and Darrell, i am so sorry to hear about the passing of your mom. I can still picture her and Blake sitting on the old concrete bleachers at Juniper Hills during our pee wee days of baseball. Blake had the first four door pickup in Frankfort! I remember when your mom worked for Community Cable on Ann Street where the Frankfort Museum is now. I remember my mom pulling up to the curb while i would take the check for the \$2.50 cable bill into your mom. She always had that pretty smile has she greeted me! She was a beautiful, intelligent, gentle and classy woman who will be dearly missed. Please accept my condolences during this tough time. Please reach out if i can help in any way.

“ Granny Mitchell, you were sure one of a kind! Thank you for treating all us “friends” as your very own grandkids. We loved you as our own Granny & you will surely be missed. Thanks for bringing us in out of the snow and having hot chocolate and cheesy potatoes always ready to warm us up by the fireplace. Mostly for keeping us in line during church service-you saw EVERYTHING from that organ platform! You and Blake are holding one heck of a reunion right now, might we all look to you as influence for what true love really is! My love to Jake, Niki, Erin, Dale and uncle Darryl at this time and the days to come- Beth
