“ My deep condolences to the family for your loss of Barry, your beloved husband, dad, brother, uncle, friend. Such a nice man, I remember the days when our young sons played soccer, and us parents forged a bond. I'll never forget teaching SS with his sister, my friend Nanette. And attending church with brother Kenny and family. A very special family! May God comfort your hearts. 🙏❤️

“ I will never forget the conversations I had with both of you when I first started working at BCC. You welcomed me to the church and I remember both serious and " laugh out loud" discussions we had once a week during the morning. I pray that our Lord will continue to surround all of you (even Micah) with his peace and love.

“ I loved my brother, Barry; we all loved Barry!
He was so sweet, kind and just thoughtful!
Unless he didn't like the shoes you were
wearing. Because if he didn't, he would
straight out tell you. When I went to EKU, he
gave me his stereo and two thumping Scott speakers. He liked
music and I was so grateful. I still have the speakers.

When Barry went away to college, he had to work to pay rent and to eat as well as keep up with his classes. Yet, one Christmas he came home and brought presents to everyone including two wreathed candles which Mom proudly displayed every year from then on.

He and Debbie raised a talented, caring, loving son. Bryan, you and Alena have such a beautiful family. Your Dad was so proud and was always telling me stories. He adored you all.

Debbie, we love you and are so sorry for this loss. Barry loved you deeply; always giving you credit for your many talents and for taking such good care of him. I pray for the comfort only God can provide for you and your family.

Love,
Nanette & Jimmy Miller

“ Saddened to hear of the passing of Barry Winkle. Barry and I were classmates at Franklin County High School. We had several classes together and I remember him a great guy, with a good sense of humor, and somebody who I have thought about over the years. If my memory serves I believe he was good friends with Roger Perkins. I enjoyed knowing Barry very much and no that his passing is a big loss to his family and close friends. I had not seen Barry since June of 1972 when we graduated, but I will keep him and his family in my prayers.

Sincerely
Phillip Bell (class of 72)
