“ *What memories I have from Birdman, and his family wonderful times growing up. Grade school to high school what times we had, starting working at Bendix same day and same shift so much laughter from him we lost contact after I left Bendix in 2005 but I will always consider bird one of my best friends for over close to sixty years R.I.P. {Bertis Birdman }My Friend!!*

“ *I first met the Birdman when I started work at Bendix right after High School. It was an eye opening experience for a youngster to work in a union shop. Birdman helped me learn the ropes. A lot of good memories. He gave me my nick name. Too Tall.*
