“*Please accept our deepest sympathies to your family. Frog was a very nice gentleman and visited with my husband often to discuss mower parts. In fact, Allan had just visited him the morning of his accident. We are so saddened for his loss. Allan and Karen Tucker.*

“ Keith. (Frog). Was a sweet person he always had a smile . He would do anything that he could do to help you if you needed help. If you wasn't smileing or laughing he would have you doing so by telling you a joke or making some of the sounds that he could make I also want to say that he always was good to my sister when she was alive... Rest in Peace Frog !!!!! You will truely be missed by many !!!!!

Sincerely, Flora Burgin

“ *I met Frog one afternoon while I was mowing my son's yard, who just lives down the street. He came by on his riding mower and said, "It's to hot for u to be doing that, let me finish up for you." He was a very kind and sincere man. There was nothing he wouldn't do for you if you ask him. Always spoke with a big smile on his face. He sure will be missed by everyone. Connie Crawford Stella.*

“ *"Frog" was a wonderful, funny, kind and caring man. He never met a stranger a day in his life. He used to come by our place on his mower, to visit with my husband and do some trading and swapping on mowers and parts. He will be dearly missed by many in this community, our family included. We as a family, send our sincerest sympathy and condolences to the Scrogam family.*

“ I grew up in Graefenburg. Frog lived down the road from me most of my life. At one time, Frog and I worked at the truck stop together. I picked him many of times walking to work on Bardstown Trail. We all went to an Alan Jackson concert together back in 2002. We had a blast. He loved to laugh and cut up. One time at the truck stop a can of green beans fell on our co-workers head. The next day Frog brought her a football helmet to wear. We all laughed so hard about that. I will be praying for your family. -Diana Daniels-Monroe
