“ *Malinmda, Rodney and Kim won't remember me. The earliest memory of my life was walking back from kindergarten registration with your dad and grandmother. Bruce and I were in all kinds of crap when we were teenagers. I last saw him at Joe's funeral. Sorry###imported-begin##BillMitchell###imported-end##*

“ *My husband, Don, & I have many fond memories of Bruce while we lived in Houston, TX. There's not enough room to begin to share even the first fond memory, but there were many. He & Wendall were fast friends and you never saw one without the other. He###imported-begin##CindyIsrael###imported-end##*
