“ Hey nanny. The other day just hit 12 years we’ve been without you. Now It’s holiday time, so we are all really thinking of you. Dad misses you bad, it’s not often we go without mom and dad telling us about “momma”. Things are so different now. I wish you got to go to “the baby’s” wedding, it was beautiful and we saved you and papaw seats. I wish you got to meet my baby, I hope papaw told you about miss grace, I know you guys would have loved her. I named her after dad’s favorite singer. Happy holidays, we love and miss you every single day. We will see you again one day.

“ My love and prayers are with you all. I am here if you need me. I loved coming to aunt Carolines when I was a kid. So many good times. I loved listening to her talk and her spit fire attitude is where I got mine from and I have known it for years. She is##imported-begin##robinbrowning##imported-end##
