“ What a great person Dickie was. My first contact with him was at a Kentucky softball state tournament in Lexington, he being the catcher for Square D, and I must say an outstanding one. Umpiring several of the state tournaments, he always was a joy to work home plate, never held the ball on you, even if he thought you missed the call. After moving to Frankfort, became a wonderful and loving friendship with the family and enjoyed seeing Betty and he at many of his families gatherings, whether it be church, childrens athletic endeavors, or gatherings. My thoughts and prayers are with you and may you enjoy the precious memories of this loving father.
