“ Hello Pulliam family I am just seeing this obituary. I spent many nights when I was in middle school in high school at the Home and I always remember them being so kind and fun. I totally remember Clorox water and butter ball. I'm so sorry for your loss. He was such a good man. Ladonna.

“ Pauline, Hossy, Karen and Rhonda, i am so saddened to hear about the passing of Chester. I remember playing pee wee baseball at Juniper Hills and Pauline driving up in brand new (1967) Toyotas! Since we were friends with Hoss, we would get to ride in the new car with plastic on the seats along with the new car smell! Of course we thought, “ these are funny looking little cars”. We would then go to the Pulliam's house in the Game Farm where we would toss football and baseball. Chester was there and he would jump in as well. We spent countless hours with Hoss at his house. Camping out or staying all night in the house, Chester was always there to talk to about his growing up days in Franklin County. Every once in awhile i would stop in when i would see him sitting out by his garage. He really liked telling me stories of his Bridgeport days. The last time i saw Chester and Pauline was at one of the VFW pancake breakfasts. We did get to talk for a bit and my brother and I had the privilege of knowing Chester for over 60 years. He and Pauline were so good to us when we visited and stayed at the house. I could go on forever about growing up with Hoss and the Pulliam family. Just great memories to say the least and Chester was always there with us! Please accept my condolences at this time.

“ I really enjoyed my times with Chester. He was always very upbeat and would greet you with a smile. I bowled and golfed with him many times. He was contagious at being a friend. Rest in Peace my friend. 🙏🙏

“ Chester truly embraced life to the fullest, leaving an indelible mark on everyone who had the privilege of knowing him. With his warm and genuine personality, he made a significant impact on countless individuals, always offering a helping hand or a listening ear when it was needed most.. Chester's laughter could lighten any mood. As we reflect on his remarkable journey, our hearts go out to his family during this difficult time; may they find comfort in cherished memories and the knowledge that Chester's legacy of compassion will forever live on in the lives he touched.

“ Cheddar, as my uncle Marshall Fitzgerald called him, was a wonderful man. He always had a smile and a hug waiting for me when I'd visit the Toyota dealership as a youngster. Rest in peace sweet Cheddar.

“ *I recall Uncle Chester ran a dairy farm near Baghdad, Kentucky. He also had an apple orchard that the family was blessed to have apples all the time. He was sought out to buy cars from. His siblings called him Cheddar. He was kind and loving and loved by all. He will surely be missed. Peace and comfort to Aunt Pauline, Karen, Rhonda, Hoss, and other family members.*

“ *We will all miss Uncle Chester and his friendly way of knowing you. I think we all have bought a car from him at one time or another. His proud and honorable legacy serving as a WWII veteran will last forever in our hearts.*
