“ Sending prayers of healing and love to Paula, Conny's children-- Jodie, Anthony, Chris, and Jessica, his stepdaughter and his brother Donnie as well.

From my small unit, we will miss Conny dearly. This loss is very shocking for us and is deeply felt. Conny was a man that, nearly every time I spoke with him, spoke of his Lord and Savior and how glorious his reunion with his Lord and his Mama would be someday. I have no doubt he is healed and enjoying his reunion at this very moment. Whether it was in a jam session in the garage he built, or when he would play with the boys in the yard, Conny always had a great conversation and a lot of wisdom to offer. I will miss his calm, loving nature most. Conny possessed the ability to see past people's issues no matter how dark or bad, and still love them and treat them as his brother/sister in Christ. He is someone who, without a doubt, completely turned his life around and pursued Jesus. When he pursued Jesus, he did not look back. He treated people from all walks of life with respect. He was always willing to lend a helping hand and did so much for my grandmother that I'll never be able to thank him enough. In our last conversation I was able to tell him how grateful I was for all he had done over the years and how much I appreciated how he loved our boys Eli, Wyatt, and Jackson. Conny offered a lot of biblical wisdom and solace to me after the passing of our first son as well, and his words will stick with me forever. He was a phenomenal Uncle to me, and an even better Uncle to my boys. I'd like to share a verse that Conny recited often, because he loved to share Jesus Christ with others.

"Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me."

I will hold that in my heart forever and each time I think of Conny I will think of that verse!

Rest in Peace, Conny. We love you, we miss you, but we will see you again.

"Get down, get back up!"
