“ I also worked with Dan at Keeneland. He was such a kind man, and had a great sense of humor. He was also a very dedicated worker who alway went above and beyond. Sincere condolences to all family and friends.

“ I worked with Dan at Keeneland Security. He was part of my barn security for the stakes race horses. I was looking forward to having him back on my barn security team this spring meet. I am in shock to hear of his passing. Dan was a great friend and I will miss him. He loved race cars as well as horses and i always joked with him that we secure a different kind of horsepower. Godspeed sir. 💖🐎
