“ My friend David had a Heart of Pure Gold, and a Smile that could chase away the clouds, I always knew there was another laugh or mischievous adventure waiting for me whenever I saw him and his shadow (Don Trip, They were always into something fun, a modern day Tom Sawyer and Huckleberry Finn).... My life was definitely BLESSED by knowing him, and being able to call him my Friend. Although I miss him, I know that he continues to live through so many of us.
