“ *David was a kind and gentle man who was given boundless musical talents. He was also a great friend. His sense of humor would brighten anyone's day! He even dog sat our little Penny and walked her every day, but he called her "Butthead!" She was small but determined and loved David. The dogs always know! God bless you, David! We will meet again.*

“ *I'm so sorry to hear of his passing. We are both namesakes for each other and enjoyed communicating over the years. I am an Episcopal priest in Hawaii and he was an organist in an Episcopal church in Kentucky. Since our names are unusual we both got a kick out of having exactly the same name. May he dance from glory to glory in God's nearer presence.*

“ David was my daughter Mary's piano teacher. For many years he came to my house on Sundays for lessons and dinner. He often shared holidays with us and was our no 1 pet sitter. He was brilliant and eccentric. I can still hear that booming laugh. He will be missed. Gina Morales
