“ David and Shannon arrived one morning at the construction site of our new house and I'm thinking "they look so young". Immediately they went to work on the plumbing installation and worked so well together. I was impressed with their work ethic and their genuine respect and love for each. Rest in peace David and prayers of comfort for Shannon and Nicole.

“ David was a wonderful nephew. He wanted for others to be happy. He told me he was more worried about how his grandmother would take the news that he had cancer than about himself. He said he had a wonderful life and was grateful for his family and many friends. May you rest in peace. We love and will miss you so much.

I will always cherish our childhood memories of spending time together. Our family reunions, Christmas gatherings at Granny's house, and birthday celebrations at Aunt Martha's (especially the fish fries). Love you cuz.
