Tribute Wall

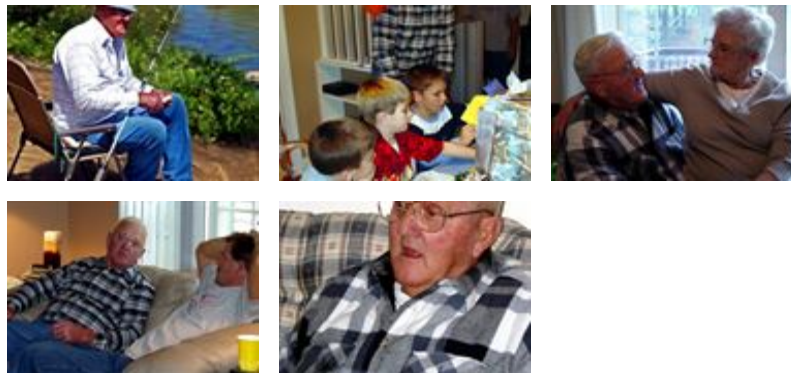

“ I know I'm late on this, but Mr. Morrow was a special individual to me and a great influence on my career and one of the reasons I chose to join the Navy many a years ago. Me was with the SEABEES and would tell me stories all the time. I was fortunate to also be a member of the Navy SEABEES and thought of him often and the sacrifice his generation made for ours. I am truly sorry for your lose. Greg Newton
