“ Mom my most favorite memory of you is of thanksgiving 23. We went to golden corral for dinner. We decided to wear the same outfit. We were headed to the food bar, some woman ask if we were twins. I said no mother and daughter. She replied you'd never know from looking at us. I can say at that moment in time I could not have been prouder to be your daughter. I Love You Mom,I will never forget you.
