I will always love my father for who he was because he was a good dad and a great friend plus he was always there when I needed him the most even when I was a kid, I'll miss him but may Valhalla take him away and may he rest peacefully forever 🥹🥹🥹🥹

“ I am so sorry for the loss of Derek. He loved his mother, sister and children dearly. I know you all will miss him terribly as I will. He was a good friend although we never met in person. I will miss our conversations and my thoughts and prayers are with you all. I pray Derek is at peace and free of all the pain he suffered with . Remember he loved you all- especially Beefy and Vanessa. He loved his dogs too.He also loved horses. Derek was a talented and creative fellow. You left us too soon my friend. But the Lord had other plans for you . Bless you and bless your family and friends.
