“ I will always remember the warm love my Uncle Don shared with everybody! And all the history he shared with me from when he was a child overcoming polio to being a Politician to making the best of the challenges of being old... He always said one has to be tough to be old... I'd love to hear from my Aunt Vicki, the only family I really ever knew other than Uncle Don, beautiful Grandma Daphne, Vernon and a couple others... OD (Oscar DeVore) was my dad. Uncle Donald DeVores beautiful spirit will live with us all forever!

“ I have known Donald for nearly 30 years. We went to the same church for 15 years and he did some part-time work for me after he retired. I watched him go through good times as well very difficult times, including heart surgery. Never did I witness Donald do anything but reflect the Lord of his life, Jesus Christ. He was exceedingly generous , very caring and totally dedicated to witnessing for Christ along the highways and byways of life. I am a better man for having Donald Devore cross my path of life and walk along with me for a season. I thank Father for his life, and I pray Father's peace upon his family. Thomas D. Isaac

“ I will always remember Donald's giving nature. If someone needed something and Donald had it, he was more than willing to share. He would always laugh, even when he may have been down, at my attempt to show him my karate poses! I will miss you my friend!! Rest in Peace, Double D.
