“ Parker, Bryan and I were so sad to learn of Donna's passing. We spent many happy hours working with both of you at Kenvirons. Although a few years have passed by now, it just seems like yesterday. I will always remember her funny personality and her sweet smile. Our heartfelt condolences go to you and the girls. We are thinking of you at this difficult time.

“ Parker and family: I don't know where to start or what to say. I'm so very sorry. Donna was a special person. I thought Sean Alteri said it well in a note to EEC staff yesterday. From commitment to her family to commitment to air quality, she was a great example. I wish you peace and comfort at this time and always. Wish I was there to give everyone a hug. John Hornback.

“ Donna I'll always remember the swim meets and the FCC Pool where we met and spent so many hours laughing and drinking our lives away! You always made me laugh and gave the world the gift of three wonderful daughters who I love just as much! I will cherish their friendship and love them the same as you! I'll make sure they take care of Parker too! I will never forget you my dear friend! ❤️ Rest well...
