“ Mary, i am saddened to hear about Donnie passing. We shared some good conversation and laughs when i came out a few times to do surveying for you guys. He always greeted me with that big smile and we would talk about time growing up In Frankfort. We talked about the past times at the old Speedway dirt track out on Twilight Trail and other places in Frankfort we knew growing up. It was an honor to know Donnie and i am so grateful for you and Donnie to call me regarding your surveying needs. Donnie will be missed by many! He was a gem. Please accept my condolences at this time and please reach out to me if i can be of any help to you and the family.
