“ Our family met the Roberts family many many years ago. When we moved to Shelbyville I think around 1958-59. We became friends with their children. We went to Highlands Baptist Church together. We moved away in 1963, and stayed in touch for a while. But time flies by. We got word of Charlie's passing and got in touch again. Here too time and many miles and time wet by to fast. Beverly and I got in touch again and my husband and I went to Shelbyville. It was so good to see old friends and meet their new family's. Our friendship never wavered. Seeing Beverly and Donna and Katherine was like the old days. I really enjoined my time I got to spend visiting her at the Mason's Home. She was and has always was a beautiful woman inside and out. I will miss her, knowing I won't see her again here on earth. She is always in my heart, along with the family.  
Beverly,my sister, I love you and your family. You all are in our prayers.  
Mom, Dad, and Linda send their regards and love
