“ I met Herald & Cleota the first Sunday I attended First Baptist. They were both so friendly and welcoming. I remember the miniature roses Cleota brought to church in the syrup bottles she got from Cracker Barrel. Just last summer, I went to the hardware store and there was Herald buying paint for his newly repaired steps. When he said he would be turning 100 in September, the young girl at the cash register didn't quite believe him and we all had a good laugh over her reaction. Abraham Lincoln said "And in the end it is not the years in your life that count, it's the life in your years." Herald had both a long life and a life well lived for his God, his family and his country. He was an example to us all. God Bless you and your family. We will miss you. Tamela Biggs

“ Our family is truly blessed to have "Mr. B" as our friend and neighbor. We enjoyed swapping food and good stories over the fence. What an amazing man! I will sure miss working in the yard with him.

“ Dear Pam, Glenna, and Family:

I am so sorry to hear about Herald's passing. What a shock. He seemed like he was doing so well the last time I saw him. Please know that my thoughts and prayers are with you.

What a wonderful neighbor and friend. He was always bringing Sam and me something to eat from watermelon, bottled water, chocolate cake, and even a turkey dinner for dinner from church one night.

His kindness and love for others will always be cherished. He didn't just talk the talk of his Christian journey but he showed it by his actions and by the way he treated all he met. He has been an inspiration to all of us and all of our lives have been touched by his caring ways. Heaven has gained one of earth's true angels. He will be sadly missed but his spirit will always be with us. What a role model for all of us.

Love and prayers,

Carolyn McElroy

“ *Herald and Cleota were family friends for as long as I can remember. Herald and Cleo visited my Mom and brother, Butch for all the years after my father's passing. I always enjoyed visiting with Herald and talking to him on the phone. My prayers are with you all and your family at this time. His spirit for life was demonstrated by Herald buying a new Buick LaSabre at 97. .*

“ I rode with Doyt a few times as we worked on his car. He was very vivid about his tales of WW2. Telling me that on a beach one day a lone plane flew over and dropped a bomb, it hit the beach just behind a tree that he and another fellow were behind. They were not wounded but everyone else was. He said “I spent many a Sunday wondering why God put that tree on that beach” I said God works in mysterious ways, he said “Amen”.
I looked up his unit and found a book about his unit just a few weeks ago. We looked at it in the car and he was very thrilled to see it.
RIP brother!
