“ I'm so heartbroken over this I watched this young man from birth until his mom left this earth and in the past few years I've been able to be a part of his short lived life. I never dreamed that he would end his life this way. Mental illness and suicide awareness needs to be out more than it is Dwayne you were loved by so many people you rest easy now with your momma and granddaddy and watch over your twin brother Joseph, your other brother, sisters, nieces, nephew, other family and friends and your dad the pain in his eyes today was so sad. Parents are not suppose to bury their kids. Aunt D loves you wayne wayne. 🥺🥺💔💔💔💔

My name is Bryan Clark. Dwayne was my bunky for most of 2017. This is the first I'm hearing about his passing. From a Facebook search. My condolences to his family. I cant image what yall are going through. Squid was a real good bro. He was solid as a rock, always cracking jokes trying to keep everyone laughing an the time passing and I can say with that he never made me question his loyalty not even once! The entire time we spent together.
