“ My deepest sympathies on the loss of a good man, husband, father, and grandfather. His warmth, kindness, sense of humor, story telling, and the genuine interest he took in other people made Ed the kind of guy that, on first meeting him, you couldn't help but take an instant liking to. It was a real privilege to have known him. I'm sorry I won't be able to join you as you celebrate Ed's life, but know that I'm with you in spirit and I carry all of the family in my thoughts and prayers at this difficult time.
