“ I had the great pleasure of working with Elizabeth at the Department of Workers' Claims. Seeing this notice today brings back many fond memories of this lovely gentle woman. Elizabeth was a friend to all and a talented gifted woman. Her warmth and kind nature drew people to her. She always had time to listen and share. It was a please and a gift to know her and I know all who called her friend will miss her. I lift prayers of comfort and peace to her family.
