“ I'm so sorry, but I just learned of Beth's death. I did not know her personally, but we knew each other through work. She was a wonderful, kind person. I will miss her and our talks regarding work and learning about her grandchildren. She will be missed.

Dear Ruby, Jim, and all the family:

I am in such disbelief to read of the passing of precious Beth! I am so saddened by this news. She was such a sweet caring young lady. Whenever I would see her in a store, she would always have a big smile on her face and hug me!!! It's amazing how you lose touch over the years and that is so sad. My heart breaks for all of you. Please know that my thoughts and prayers are with all of you that God will give you comfort and strength in the days ahead. Ruby, I love you and am thinking of you.

“ I first met Beth when I started working with her in 2008. She was always kind and helpful to me. She is a kind-hearted person and would always go out of her way to help others. She loved her children and her grandchildren so so much.

“ I met Beth back in 1976, when we were both in first grade. She was a comfort to the people around us. I saw her again in 2016 at VisionFirst while waiting to be fitted for glasses. She was then as peaceful as she was forty years earlier. Beth left her positive impression on us, though she is gone.

“ Just a sad time for everyone...Beth was a ray of sunshine and always had a smile on her face, or a funny story to tell. She always made my day brighter! I know she loved the Lord and Jesus Christ is her savior! I will miss her and know everyone else will as well!! Until we meet again to laugh and smile!!❤️🙏

“ I worked with Beth for a few years in Disability Determinations. That was a big office and I didn't work closely with her or see her on a regular basis but my clearest memory is the big smile on her face any time I ran into her. I won't forget her.

In school, she always had a smile for everyone and was a really sweet person. I remember how proud and close she was to her sister. My prayers are with her whole family. God bless, Lori Locknane Stokes
