“ Elmer loved to pick on us and would always make us smile. I will always remember growing up next to him and Helen and how good they were to me. I will remember the trips to Barren River and riding on his boat. More recently, I enjoyed sitting close to him on Sunday mornings at Pigeon Fork. Thoughts and prayers with Donna, Larry, and Darrell and their families.

Love,

“ Sorry for your and our loss. Elmer brought “spice” into our lives by his great sense of humor whether he was playing a harmless joke on another or having one played on him in addition to sharing a joke with you. I enjoyed the years at Bagdad Roller Mills working with Elmer.
