“ You and Uncle Junior will forever be in my heart. You were and are a true inspiration to all of us. Holding to the promise that we will all be together again soon. Til then, sing one to our Lord for me, tell Him I'll be waiting and I live Him so, along with all our sweet sweet family up there.

“ I have so many fond memories of Aunt Frances. I always remember that you could never visit her without eating something. She always wanted your belly full before you left her house. And yes, she could yodel. 😊 Rest in Peace, Aunt Frances.

“ Aunt Frances was an amazing woman. Many memories of her working around the kitchen along side of other precious family members that have gone on to heaven. Her smile was contagious. The oldest of ten, I’m sure, was a huge responsibility. She loved music and the Lord. She sang a song that required yodeling. I loved it! I am sure she is rejoicing with her parents and all her siblings that have been waiting for her. But the most precious thing she is doing is rejoicing! She will be missed!
Brenda and Kathy, you are in my prayers. I love you both!

I can remember having/wanting to come up there every Friday for her hamburgers. I don't know what she did but they were so GOOD. Thinking of you and Kathy and the rest of your family.

“ My fondest memories are of Aunt Frances and Uncle Jr. coming to my house and I'd cut and perm her hair and cut his hair while her hair processed. There was never a silent moment, lots of beautiful stories of family times, lots of beautiful memories made with Michael and myself spending those hours together. I know I'll see her again someday and that gives me comfort, knowing she's in heaven with our loved ones that are already there. I love her very dearly and will miss her very much.
