“*My love and condolences to all of Gene's family. He was such a remarkable man. He loved me much better than I deserved and I loved him in return. I will never see the "blue bird" sky without seeing those beautiful blue eyes. I am SO sad right now but I would not have missed our short time together for the world. I will forever miss those 9 O'clock (obscene) phone calls. Nothing to say, really, just to hear each others voice.*
peace to you all; I know he will be so sadly missed.
