“ I have fond memories of Freeman. We spent much time together in the youth group of Lebanon Church, playing softball, and working on the farm. I considered him a good friend. I am saddened to learn of his passing. My sincere condolence to all of Freeman's family.

“ Sorry to hear about the death of anyone in our families, anytime.

*Some old times I remember are:
Mowing grass using mules to pull the mower.
Using a hand on the gas pump in front of the store to put gas in cars.
I remember Freeman raking hay with horse or mules in the fields in back of the barn.*
