“ Terri and family,
I just read that Gary passed away. I'm so very sorry for your loss. We graduated together and he was a very good friend. I have many fond memories of Gary in school. We lost touch over the years and it really saddens my heart to hear this news. May God comfort you and your family, as only he can, at this difficult time. My thoughts and prayers are with you all.

“ Terri & family. My thoughts of Gary go back so many years, and such fond memories. He was a great guy, and my very good friend in our years in school. He always said that he wanted to be a marine, because they were the toughest. I think of you often and pray for real peace for the whole family. Love you Ray Bewley

“ I first met Gary when he came to work at the Glasgow Police Dept. We rode and worked together during our time there. He was a very fine police officer, knowledgeable, very sharp in his uniform and fearless. He was a very good person and someone I truly enjoyed working with. My sincere condolences, he is missed.

“ Gary and I attended KLEC training in Richmond when he joined the
Glasgow Police Department in 1972. I joined Frankfort PD. We later
reconnected when I joined the KSP as a trooper and he worked in
the administration section. He framed several large prints for me
which still hang in my home. Great Guy!
