“ *Sending our deepest sympathies at Gary's death. He was such a talented man. I remember a time many years ago when he came to the St. John Baptist church and played the piano for us. I have always loved the piano and was in such awe of his talent. We won't be able to make the service today, but please know that we are thinking of you and pray God will comfort you all during this time of grief.*

“ *One of my early memories with Gary is the night we were out and about on campus at SBTs, and ended up climbing a tree - something I'd always enjoyed. Arriving back at the dorm I realized I was locked out, so we yelled up to one of my friends to come down and let me in. She yelled back, "Gary Ferguson, you're out of your tree!" Of course, that sent us into gales of laughter. Gary's laugh was inimitable, inspiring others to laugh, whether or not they knew why he was laughing. Alice Garrott Hooker*
