“ I graduated with Gary and Larry in 1968 from SCHS. I had the darndest time telling them apart for the 4 years we were there together.

After graduation, it became easier to distinguish the two of them. (Gary was a tad better looking lol). When we built in 1999/2000, Gary worked his behind off wiring our house for much less pay than he deserved. I'll never forget that.

Would see him occasionally around Fkt from time to time. Always upbeat and cheerful.

I loved Gary and will miss not being able to be there for his service to honor his life. (We're in Florida until the 29th).

Anna, you and Larry and your entire family will be in our thoughts and prayers.

God bless all of you.
