“ I am beyond blessed to have cared for Greg. He was one of the sweetest patients I've ever had. I had the pleasure of conversation with him on many occasions. We both loved to fish and we talked about it a few times! He left a special place in my heart. My condolences to the family. He was a sweet genuine person and I know he will be missed by many. Much love to the family...

“ *I feel so blessed to have been a part of your life for so many years. You were my best friend, my sweetheart, my rock. We had so much laughter and joy together. “ I never got to tell you I considered you a step dad I was always too 'independent' to be around too long to tell you that. I never got to tell you how much you meant to your step family but I bet you already knew all about it. You had a way of knowing those sorts of things. I remember your laugh the most it always made me laugh. I realize over the years I didn't worry about my mom or niece as much because I knew they had you and your family. May you rest in peace and watch over us Greg..we love and miss you.
