“ Greg you have always been my baby and you always will be. There are no words to say how much I miss you and my life will never be the same. Just know that you will never ever leave my heart. So many loved you. Rest in Peace my sweet with my whole heart.

“ I have been friends with you first then almost the rest of your family for a long time, nearly as long as I've been here. I remember as witty, jovial, and light at heart. Even when under stress you were a great spirit and fun to be around. Our talks were but deep and just friends filling the quiet with chatter. It is such a shock to be losing a back bone type of friend so soon. Your memory is like a bright star that will never fade.

“ I miss you, I love you and will always remember you in the least expected places and things. I have fought for you all my life and would continue to do so now. You're the only little brother I'll have have and I'm sorry you couldn't reach out for my help sometimes, but I would gladly have helped you in any way possible.
