“ Jerry was always a happy soul that went with the flow. He will be missed at every family gathering. But to know he's out of pain and celebrating with the Lord just makes heaven look more welcoming. What a day it will be when we all get to Heaven....

“ For over 18 years, our cul-de-sac was blessed with the presence of a wonderful neighbor and friend. Always a smile and pleasant conversation was in store for you when Jerry was around. He was not only a wonderful example of a family man, but also a Christian. He will be missed but has definitely left a beautiful legacy. Prayers for his family.

“ Dad, words cannot express what you mean to me. Thank you for teaching me about Jesus and modeling His love for me. You're the best dad April and I could ever have asked for. Thank you for giving me a love for music and inspiring me to be a songwriter. You were the best supporter and encourager to both April and me and our biggest fan. I miss you so much and am so grateful for each day we shared.
