“ Lisa, I am so saddened to learn of your mother's passing. She was such a wonderful woman. I have never forgotten how good she was to me when I was a kid running all over the subdivision and Devil's Hollow. If I stayed too late at the Collins' house, Mrs. Collins would call your mom and she'd turn the porch light on for me and send me thru your alls back yard and watch me til I got to Skyline. She and Donald Duck were two of the best. I am comforted knowing they are together again.

“ *Such a wonderful kind lady, and a special friend to my Grandmother Francis Moore. I will never forget years ago when I divorced and started life over with nothing Hazel gave me a washer and dryer. When I was able to get another set several years later I passed them on to someone that needed them. Her kindness will never be forgotten. Prayers to her family.*

She was a kind and amazing surrogate grandmother to my wife, Danielle Russell, and a great friend to her entire family and those who knew her!!!
